

Capítulo 5 – Proyecto pequeño

Actividad:

Create a review PowerPoint/Google Slide show teaching and demonstrating the vocabulary, grammar, and culture for this unit. It should be well designed and function as a study guide for other students.

If you work in a group, all group members must split *all* the work up equally. You are responsible as a group for the final product. Group members may receive a deduction if work is not equal and/or cannot prove it is equal. Remember, you need to be creative and show effort!

Do not use an online translator and do not copy from existing sentences/samples. Your project must be ALL ORIGINAL. The only resources allowed are your vocabulary lists, the textbook, Google Classroom assignments, and your notes. You may use the Internet only for finding images. Any additional words/grammar used must be approved by your teacher. *Any use of Google Translate or outside resources will result in a zero. Only use vocabulary, culture, and grammar from Unit 0 – Unit 5 or Spanish 1. Non-original work will receive a ZERO and a disciplinary action.*

¡Vale nota de prueba!* - *Worth a quiz grade!
