Capítulo 5 – La casa ideal

Instrucciones:

- Design your ideal house below/on the back. Have a floor plan for each floor.
- Draw a floor plan of the layout of your house (lines to indicate walls, doors, windows, etc.) and what items are in each room (based on your vocabulary list). Make sure to include outside of your house (garden, garage, car, etc.)
- You need *at least* 12 vocabulary words.
- You must label the ROOM and ITEMS in Spanish using your vocabulary list.
- Color in the items in your house and add details.
