Ch. 1 Project - Calendario

<u>Instructions:</u> Create a calendar in Spanish for your birth month.

<u>You must include:</u>

❑ Month name in Spanish. *(15pts)*

❑ Season in Spanish. *(10pts)*
   (La primavera = Spring, El verano = Summer, El otoño = Fall, El invierno = Winter)

❑ Days – number and Spanish word. (For example: 1 – uno) *(30pts)*

❑ Days of week in Spanish. *(25pts)*

❑ Your birthday written in a full sentence in Spanish. *(15pts)*

❑ Some pictures to illustrate the month, the season, and your birthday. *(5pts)*

Suggested pacing schedule:
- Day 1: Make the outline of your calendar on your construction paper.
- Day 2: Start filling in the month and days of the week. Draw your pictures.
- Day 3: Fill in the numbers for each box and your birthday.

Due date: By the end of Quarter 1 (Date _____). We will be working on it in class over the course of 3 days. If you need more time after that you can work on it at home or in ASR. All calendars must be turned in by the end of Quarter 1 (but turn it in sooner if you are done!).

Example calendar layout:
